another file. Files can be up to 25MB each; however, we do recommend trying to keep files to a maximum of 5MB – the larger the file, the longer the upload time. If you are not able to upload a document, please contact us for support (see contact details above).

COMPLETING AN APPLICATION IN A GROUP/TEAM

A number of people can work on an application using the same log in details as long as only one person is working at a time. Ensure you save as you go. **SPELL CHECK** Most internet browsers (including Firefox v2.0 and above; Safari; and Google Chrome) have spell checking facilities built in – you can switch this function on or off by adjusting your browser settings.

Auspicing

We recognise that some groups will be unable to qualify for direct funding from us as they are not a registered DGR1 Charity. Often in these cases they will enter an Agreement with another qualified organisation to complete the project. The group requiring support is known as the "auspicee" and the group applying for the funding is known as the "auspisor". In these cases we will refer to the "auspicee" as the Delivery Organisation and the "auspisor" as the Legal Organisation.
